RE: WIA PY04 ALLOCATIONS
TO WDBs

To: WDA Directors

From: Bill Clingan /s/
Division Administrator

PURPOSE

This memo transmits the Workforce Investment Act (WIA) allocations for Program Year 2004.

ALLOCATION METHODOLOGY

The state received an increase in all program areas.

Eighty-five percent of the youth and adult funds and 60% of the dislocated worker funds have been allocated by formula to the Workforce Development Boards. The 90% hold harmless was employed for the youth and adult programs and the dislocated worker program was held harmless at the 85% level.

Economically Disadvantaged data use in the formulas is from the 2000 census. All other data is from the US Bureau of Labor Statistics (BLS). The BLS approved formula for designating Areas of Significant Unemployment (ASUs) was also changed this year.

GRANTS

Grant Documents are being prepared for PY '04 that reflect the attached allocations.
